Research

Massachusetts Institute of Technology (Cambridge, MA) Conducted biomechanical stress studies on chondroblast remodeling	1997
Activated Cell Therapy (Mountain View, CA) Independent research into acidic washing of human lymphocytes	1994

Society Memberships

ACR, ASNR, RSNA

Volunteer Experience

Ivy League Tutoring (Chicago, IL) Tutoring for disadvantaged public school students	1995-1996
Big Brothers/Big Sisters (East Palo Alto, CA)	1993-1995

Haas Center for Public Service (Stanford, CA)
Director of after-school program for at-risk youth

1992-1995

Personal

I am a dog owner, a lifelong White Sox fan, a news junkie, and a mediocre but eager skier
